Application No. 10/729,348  
Filing Date: December 5, 2003  
Attorney Docket No. 10006.001810  
Title: METHOD AND APPARATUS FOR  
MEASURING IMAGE COMPLEXITY

: DECISION REFUSING STATUS  
: UNDER 37 CFR 1.47(a)  
:  
:  
:

This is in response to the "PETITION UNDER 37 CFR 1.47(a) FOR FILING WHEN AN INVENTOR REFUSES TO SIGN OR CANNOT BE REACHED," filed May 10, 2004 (certificate of mailing May 6, 2004).

The petition is **DISMISSED**.

Rule 47 applicants are given **TWO MONTHS** from the mailing date of this decision to reply, correcting the below-noted deficiencies. Any reply should be entitled "Request for Reconsideration of Petition Under 37 C.F.R. § 1.47(a)," and should only address the deficiencies noted below, except that the reply may include an oath or declaration executed by the non-signing inventor. **Failure to respond will result in abandonment of the application.** Any extensions of time will be governed by 37 C.F.R. § 1.136(a).

The above-identified application was filed on December 5, 2003, with an unexecuted declaration and missing the basic statutory filing fee. Accordingly, on March 8, 2004, the Office mailed a "Notice to File Missing Parts of Application," requiring an executed oath or declaration, the filing fee and the surcharge under § 1.16(e) for late filing. This Notice set a two-month period for reply, with extensions of time obtainable under § 1.136(a).

Applicants replied with the instant petition under § 1.47; payment of the petition fee, the filing fee and the late surcharge; and two declarations, executed in combination, by joint inventors Fleisher and Ratner on behalf of themselves and on behalf of non-signing inventors Ahuja and Prakash. Rule 47 applicants assert that status under § 1.47 is proper because of the unavailability of joint inventors Ahuja and Prakash. In support thereof, applicants submitted a statement of pertinent facts of James Okamoto.

DOCKETED:

BY: *JA*

A grantable petition under 37 CFR § 1.47(a) requires: (1) an acceptable oath or declaration in compliance with 37 C.F.R. § 1.63 and 1.64 or 1.175; (2) proof that the non-signing inventor cannot be found or reached after diligent effort, or refuses to sign the oath or declaration after having been presented with the application papers (specification, claims and drawings); (3) the petition fee; and (4) a statement of the last known address of the non-signing inventor. The petition included payment of the petition fee; a declaration in compliance with § 1.47; and statements of the last known address of each of the non-signing inventors. However, the petition must be dismissed because requirement (1) has not been met.

Petitioner has not shown that the non-signing inventors, Ahuja and Prakash, cannot be found or reached after diligent effort to be presented with all of the application papers. The petition does not include adequate evidence to support a conclusion that diligent efforts have been made to find or reach the non-signing inventors to have him join in this application. Having been unsuccessful in contacting them by mail, there is no indication that Rule 47 applicants attempted to determine their forwarding addresses, and to send the application papers to those addresses for consideration. See MPEP 409.03(d). If attempts to obtain a forwarding address or to locate the non-signing inventor by other means such as through E-mail, a new telephone number, or the Internet continue to fail, then applicants will have provided the necessary proof required under 37 CFR 1.47 that the inventor cannot be reached or found after diligent effort. Details of the efforts to locate the non-signing inventors should be set forth in an affidavit or declaration of facts by a person with first hand knowledge of the details. Applicants should also submit documentary evidence such as the results of an E-mail or Internet searches.

**UPDATED STATEMENT OF PERTINENT FACTS  
IN SUPPORT OF FILING ON BEHALF OF  
SACHIN AHUJA**

Dear Sir or Madam:

This statement is being submitted in support of a Request for Reconsideration under 37 CFR 1.47(a).

Please note that Mr. Sachin Ahuja was employed by Pulsent Corporation at the time of the invention. Since that time, Pulsent Corporation has gone bankrupt and closed its business. This patent application is now being prosecuted on behalf of the new assignee PTS Corporation.

I, James K. Okamoto, hereby state the following:

a) On January 19 2004, I mailed the application papers for the above-referenced U.S. Patent Application, including a copy of the application, along with a declaration to be signed and other documents) via first class mail to Sachin Ahuja at his previous address of 220 Jessie Ln #3, Mountain View, CA 94041. Included was a cover letter requesting Mr. Ahuja sign the declaration as a joint inventor of the above-referenced application. The postal office returned the envelope of papers sent to Mr. Ahuja with 1) an indication that the addressee had moved from the Jessie Ln address to 650 Castro St, Suite 120, Mountain View, CA 94041 and 2) an indication that the addressee had moved from the Castro St address and "left no address". Attached is a copy of the cover letter sent to Mr. Ahuja marked as Ahuja Exhibit A and a copy of the returned envelope marked as Ahuja Exhibit B.

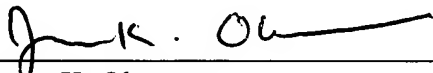

## Updated Statement of Pertinent Facts (Ahuja)

- b) On March 8, 2004, I called Sachin Ahuja's last known phone number at 650-625-0785. A message from the phone company stated that this number is disconnected or no longer in service.
- c) On June 4, 2004, I performed an online search for Sachin Ahuja via Yahoo People Search. The Yahoo People Search returned the same Jessie Ln address for Sachin Ahuja. A phone number of (650) 625-0785 was also returned. Attached is a copy of the Yahoo People Search results marked as Ahuja Exhibit C.
- d) Further on June 4, 2004, after the Yahoo People Search, I made a phone call to (650) 625-0785, which was the number indicated from the Yahoo People Search. An answering machine picked up the phone, and I left a message asking for Sachin Ahuja to call back my office in relation to patent applications. No return call was received in relation to this phone message.
- e) Further on June 4, 2004, I performed a second online search via PeopleData in a diligent attempt to locate Sachin Ahuja. Five possible addresses for Sachin Ahuja were returned, including the same Jessie Ln address and four other potential addresses. Three of those potential addresses had phone numbers with a 315 area code. Attached is a copy of the PeopleData results marked as Ahuja Exhibit D.
- f) Further on June 4, 2004, I ordered a third online search via eFindOutTheTruth.com. This was a social security trace based on Sachin Ahuja's social security number. The results were returned on June 6, 2004 and indicated the same Jessie Ln address mentioned above. A copy of the social security trace results is attached hereto as Ahuja Exhibit E.
- g) Further on June 4, 2004, I also sent a package with documents via certified mail to Mr. Ahuja at the Jessie Ln address, the address indicated by the three online searches. The envelope was returned undelivered. The envelope indicates that the postal service tried, again, to deliver the package to the Jessie Ln and Castro St addresses, but that the addressee had moved and left no forwarding address. Attached hereto is a copy of the returned certified mail envelope marked as Ahuja Exhibit F.
- h) On June 23, 2004, I made three phone calls, one to each of the above-mentioned three phone numbers with the 315 area code from the PeopleData search. For the first number, (315) 638-3948, I received a message from the phone company that the number was not in service and that no further information was available. For the second number (315) 446-4870 and the third number (315) 422-8189, answering machines picked up the phone, so I left messages asking for Sachin Ahuja to call back my office in relation to patent applications. No return call was received in relation to any of these phone messages.

## Updated Statement of Pertinent Facts (Ahuja)

- i) On August 27, 2004, I sent via Federal Express (FedEx) the application papers for the above-referenced U.S. Patent Application, including a copy of the application, along with a declaration to be signed and other documents) to Sachin Ahuja at the address of 650 Castro Street, #120, Mountain View, CA 94041. Included was a cover letter requesting Mr. Ahuja sign the declaration as a joint inventor of the above-referenced application. FedEx online tracking indicates the package was delivered on August 30, 2004. The envelope was later returned by FedEx to my office unopened on September 3, 2004. Attached is a copy of the cover letter sent to Mr. Ahuja marked as Ahuja Exhibit G, a copy of the FedEx shipping label marked as Ahuja Exhibit H, and a printout of the online tracking report marked as Ahuja Exhibit I.
- j) To date, I have not received any return correspondence, return phone call, or other communication from Sachin Ahuja regarding the above:

IN SUPPORT OF FILING ON BEHALF OF  
ADITYO PRAKASH**

Dear Sir or Madam:

This statement is being submitted in support of a Request for Reconsideration under 37 CFR 1.47(a).

Please note that Mr. Adityo Prakash was employed by Pulsent Corporation at the time of the invention. Since that time, Pulsent Corporation has gone bankrupt and closed its business. This patent application is now being prosecuted on behalf of the new assignee PTS Corporation.

I, James K. Okamoto, hereby state the following:

- a) On January 19 2004, I mailed the application papers for the above-referenced U.S. Patent Application, including a copy of the application, along with a declaration to be signed and other documents) via first class mail to Mr. Adityo Prakash at his previous address of 600 Marlin Court, Redwood Shores, CA 94065. Included was a cover letter requesting Mr. Prakash sign the declaration as a joint inventor of the above-referenced application. The postal office returned the envelope of papers sent to Mr. Prakash with a note that the Mr. Prakash has "moved" and that the envelope was "not deliverable as addressed--unable to forward". Attached is a copy of the cover letter sent to Mr. Prakash marked as Prakash Exhibit A and the envelope returned by the postal office marked as Prakash Exhibit B.
- b) On June 4, 2004, I performed an online search for Adityo Prakash via Yahoo People Search. The Yahoo People Search did not find any people matching Adityo

There was a phone number indicated for the Marlin Court address but no phone number indicated for the Clearview Terrace address. Attached is a copy of the PeopleData results marked as Prakash Exhibit D.

d) Further on June 4, 2004, I made a phone call to (650) 637-9970, which was the number indicated from the PeopleData search. A phone company message indicated that the number was disconnected or no longer in service.

e) Further on June 4, 2004, I also sent a package with documents to sign via certified mail to Mr. Prakash at the Clearview Terrace address indicated by the PeopleData search. The envelope was returned indicating the package was unclaimed. Attached hereto is a copy of the returned certified mail envelope marked as Prakash Exhibit E.
